## PROFILE

I specialize in UX design, delivering exceptional user experiences through a user-centric approach and iterative problem-solving. I am dedicated to refining and optimizing designs based on user feedback and data analysis.

## EXPERIENCE

- **UX/UI DESIGNER | JAN. 2024 - PRESENT**  
**VIRTUABROKER**
  - Enhanced accessibility for a new target audience by simplifying the app's design.
  - Designed a money transfer app for Europe to Latin America, starting with MVPs to ensure strong user engagement.
- **UX/UI DESIGNER | MAR. 2022 - DECEMBER 2023**  
**PLASTIKS**
  - Crafted visually engaging designs for web app dashboards to enhance user interaction.
  - Designed a comprehensive NFT marketplace platform.
  - Collaborated with a team to create a Shopify app interface for facilitating donations to plastic recovery initiatives.
- **UX/UI DESIGNER | JAN. 2021 - FEB. 2022**  
**VIRTUABROKER**
  - Created wireframes and moodboards for every page of the app and dashboard to guide visual design.
  - Established and organized a design system and visual assets, ensuring consistency throughout the project.
- **UI DESIGNER | NOV. 2019 - DEC. 2020**  
**NOZAMA**
  - Collaborated on the design of a marketplace platform.
  - Worked on app interfaces to reduce CO2 emissions and support company sustainability efforts.
